

Council of AI

Regulator brief - labour & AI-economy indices remain UNMEASURED

CSOAI Ltd | UK Companies House 16939677 | Measurement, not certification

NEXT\_300 #149 - designed print one-pager

Honesty rule: empty product cells are intentional. Absence is not zero.

What we publish today

GSPC scoreboard GET /api/gspc - MEASURED (13 of 14 axes), Ed25519

AI Economy Index - UNMEASURED measured\_score null

Human Labour Index - UNMEASURED measured\_score null

Humanoid Labour Index - UNMEASURED measured\_score null

Catalog API GET /api/indices - register UNMEASURED

What we refuse

Invent wage % / displacement % / TVL / TAM as MEASURED labour scores

Fuse index numbers into GSPC grading cells

Certify compliance, issue badges, or sell grades

Verify: /gspc-scoreboard /gspc-verify /indices GET /api/corrections

Hub vs product: HF MEASURED-INDEX-v0.1 experiments != OS UNMEASURED (C-2026-0826-01)

HTML: /regulator-indices-one-pager.html regenerate: npm run pdf:regulator-indices
